

CAPTAIN'S INFORMATION SHEET

- **Team captains** are the contact point between each team and the tournament staff. Other players should not approach the competition desk other than when called for an individual match or reporting an individual result.
- Team captains are responsible for ensuring that their team know the contents of this briefing and the information contained on this sheet.
- Players should maintain a respectful level of quietness at all times when matches are in progress, respecting the players, officials, equipment and the venue.
- Ensure matches start **promptly** after the cueball/matchsheet has been given out and that each frame follows the preceding one **without delay** in line with regulations.
- During an individual match, each player is entitled to a 5-minute timeout. This can only be taken immediately after the completion of a rack - not before the first rack and not during a rack. No timeouts can be taken during team matches.
- Matchsheets for team matches must have the **full names** of each player in the appropriate place. Each frame will be scored "W" and "L" or "1" and "0" with the final total entered at the foot of the sheet.
- The order of breaks shall be determined by a lag between the two players named first on their respective team lists on the matchsheet, and then alternate through to the end of the match, including playoffs in knockout matches.
- As matches conclude and tables become free, matches still in progress may be expanded to a maximum of three tables until the match is concluded.
- If a team reaches six frames (Men's) or four frames (Women's) the match is over. Remaining frames will not be played and any frames in progress shall cease immediately.
- **Report results immediately** after the conclusion of the match. Complete the matchsheet and return it to the competition desk **without delay**.
- You will referee your own matches but referees are also on duty. Should there be any disputes refer them to the closest referee. **A referee cannot rule on something they have not seen.** If you are unhappy with the decision you may appeal to the Tournament Director whose decision will be final and any disputation will be treated as dissent and dealt with severely.
- **Only players involved in a frame** should approach the tables and must be dressed in accordance with the dress code whilst playing. **Players found playing not in dress code shall forfeit the current rack**, and lose further racks for every 5 minutes they are not in dress code and ready to play.
- **No practice will be allowed on free tables while any matches are still in play in the venue.** Persistent disregard to this rule will be treated as dissent and dealt with accordingly.
- Tournament spreadsheets can be accessed via our website – www.upc-pool.org.uk
