

**UPC IRISH INTERVARSITIES
INDIVIDUAL CHAMPIONSHIP
2022-23**

Registration times for each match on Friday are given per section on the right. This is the earliest a match may be called in that section. If you fail to register at this time you will be scratched from the draw.

There will also be a period of open registration between 10.15 and 11.00 where anyone can register. These players then do not need to re-register at the times indicated in the draw. Once a player registers once, they do not need to register again for subsequent rounds.
