Changes to the BUCS-UPC Eight-ball Pool Championships

- The **Women's Team Championships** will now comprise a **Championship and Trophy format**. Group stages will be played together (as in the Men's), with 1st teams only permitted to qualify for the Championship play-offs, with all other qualifiers moving to Trophy play-offs.
 - The **rack-distances** for the **Women's Individual Championships** will now be played as a minimum **race-to-three in all rounds**, except the final which will be a minimum race-to-four. In previous years, early rounds were played in a race-to-two format. This decision will be reviewed annually, taking into consideration entry levels, capacity and time restraints, however the UPC will attempt to permit as much pool to be played as possible within the timeframe.
 - The **composite entry fee** for this season's event has been raised from the previously published figure of £80.00 per person to **£83.50 per person**, to incorporate late increases in both accommodation and BUCScore costs.
-

BUCScore Entry

- Entries will be via the **BUCScore** online entry system. This is an automated system which will require team and player details to be entered by your Athletic / Students' Union. All member AUs / SUs have access to the system; if an institution does not, or cannot enter, please contact the BUCS office.
- The BUCScore online forms will be live shortly and will automatically administer the payment of fees.
- The BUCScore online forms **must be completed in full** – incomplete forms cannot be submitted. Late entries *may* be accepted via this system, however these are subject to terms and may accrue late entry and late change fees (please see below, and the Competition Regulations).

Entry Information Sheet

- **Entry Information Sheet** - this form may help students/clubs provide their Athletic or Students' Union with all the information required to complete the BUCScore online entry form on their behalf.
- Please read carefully and **complete the sections in yellow in full**, prior to sending/emailing to your Athletic / Students' Union.
- Start the process of completing the form as soon as possible and submit it to your Athletic / Students' Union in good time. **Do not leave it until the last minute** as the UPC will not be held responsible should there be issues such as computer malfunction.
- Remember, incomplete forms will not be processed so make sure all the required information has been inputted before submission to your Athletic / Students' Union.
- Liaise with the Athletic / Students' Union as soon as possible to ensure they will be able to submit your entry via BUCScore in time, and that there will be someone available on the date you wish to submit the form. It is especially important to contact the Athletic / Students' Union at an early stage.
- Keep in touch with the Athletic / Students' Union and chase it up until you are sure the entry has been sent and received. **You will receive a confirmation** when the entry has been received and processed.

Accommodation Booking Form

- **All players** (except reserves) from both championships, and spectators, **must have accommodation booked** for them and be listed on this form.
- All player accommodation fees are **INCLUDED** in the composite entry fees outlined above. Spectators' accommodation must, however, be paid separately direct to the UPC.
- Please read the **guidance notes and conditions of hire** in full.
- Please take care to complete **the sections in yellow in full**. Please **email the form to the UPC address** on the form by the entry deadline date, alongside payment in full (if relevant, ie for spectator accommodation). Please also **retain a copy for yourself** (you will need this for checking in).

Individual Championships

- All players who are members of a team (or who are entering as an individual from an institution not sending a team – see below) will **automatically** be entered into the respective Individual Championships; reserves are **NOT** entered unless promoted..
- **Rank the players according to their playing strength** in each team, because in the rare occurrence that capacity is reached for the individual championships, players will be filtered according to rank.
- Those institutions that are unable to raise a team may enter a limited number of single entrants, please contact the Tournament Director, Dan Turner, at daniel.turner@upc-pool.org.uk for further details.

Note 1: Completing the Teams

- Teams **must be listed in order of strength**, i.e. the first team must be your strongest team and so on. The captain will be the first named player in each team. Only first and second teams will be guaranteed entry; entry of third teams is dependent upon capacity.
- Only players entered via BUCScore, and thus listed on the Entry Information Sheet, will be eligible to play in the tournament. Generally, if you enter multiple teams a player ascribed to a particular team on the entry form will not be allowed to play for a lower ranked team in the tournament, therefore make your selections carefully. Players may be moved up from a lower to a higher ranked team (e.g. seconds to firsts) or from the reserve list into teams. The exception to this rule is if a team attends the event with less than the required players to form a team but that the team could compete if a player was demoted. In such a scenario, the lowest ranked player(s) in the higher team(s) would be able to drop into a lower ranked team to ensure all teams can compete. This will be at the discretion of the Tournament Director.
- For the Men's Eight-ball Championships only, players who register at Shield level are, regardless of whether they play or not, rendered ineligible to play at Championship/Trophy level.
- If you wish to replace names on the official entry form you have to do this **through BUCScore via the Athletic / Students' Union**. Additions made within seventy-two hours of the commencement of the

competition will only be allowed in exceptional circumstances, must be accompanied by documentation explaining the reason for the change, and an email to the Tournament Director, Dan Turner, at daniel.turner@upc-pool.org.uk. Such changes will be charged a fee of £10.00 and may only be added to the bottom ranked team from that institution.

- The ID Number is the number on the student cards issued by the institution's authorities, **not** the NUS.

Note 2: Team Reserves

- **You must enter names into the reserve list.** These should be players that have confirmed their availability for the event and can be brought into the team should there be any withdrawals between entry and competition. **You may only list as many reserves as there are spaces on the entry form.** There is **no cost** for listing reserves.
- This list will be final (see Note 1) and reserves listed on the entry form will be eligible to replace a player in a team at the tournament. Note that once a team is registered at the event, only those registered for a team will be able to play in the tournament.

Note 3: Main Contact

- The **main contact** is the **main point of contact** between the UPC and the player(s) and team(s) listed on the form. The **main contact on the accommodation booking form** will be used as the main point of contact for the purposes of all accommodation issues.

Note 4: Additional Information

- Please indicate on the form the **approximate total number of players** within your club. This may include paid and unpaid members, and/or the cumulative total competing in your internal competitions.
- The UPC values players from all backgrounds and aims to create and maintain an inclusive playing environment where everyone is encouraged to reach their full potential. If any of your players declare themselves as disabled, and/or require **reasonable adjustments** to compete, please indicate this on the form and provide details to your Athletic / Students' Union so that they may make the UPC aware.

Note 5: Payment

- Payment for all **entry fees** (including late entry and late change fees) must be made direct from your institution's Athletic / Students' Union, and **administered via the BUCScore automated system**.
- Payment for any **additional accommodation fees** that a due (applicable only for spectators) must be made **direct to the UPC** by **BACS transfer**, in advance. Accommodation for players is included in the entry fee.
- If full payment is to be made by the Athletic / Students' Union, alert them to the total cost **at an early date** to ensure it is authorised in time.
- If some or all of the entry fees are being paid from a personal account, i.e. not by the Athletic / Students' Union, then please contact your Athletic / Students' Union at the earliest opportunity to arrange the transfer of funds via them.
- Do **not** wait until you have the entry form completed and/or a few days before the closing date before speaking with your Athletic / Students' Union.
- Entry fees are non-refundable unless entry is refused by the UPC for operational reasons.

Note 6: Athletic Union Authorisation

- Authorisation will be via the **BUCScore** automated entry system.
- Should you have difficulty in obtaining authorisation **contact the UPC as early as possible**.

APPENDIX – Eligibility to compete

To be eligible to play in our competitions, players must fulfil BUCS eligibility criteria and the following criteria drawn from our constitution. Please note, it is the responsibility of each team to ensure **in advance** that players have the required documents to prove eligibility. Without correct documentation, players will NOT be

permitted to compete, no exceptions will be made. Any queries should be addressed in advance to the UPC.

8.1 Eligibility to compete

8.1.1 Eligibility of players

To be eligible to compete in any competitions organised by the Council players must fulfil the following criteria. (This does not apply to players representing the Ireland Students; they are dealt with under 8.1.5):

(a) represent an eligible institution as defined under provision 8.1.4 either as part of a team or as an individual.

(b) have their participation authorised by the relevant authorities within their institution. The authorisation must be made by an official from the institution's athletic or student unions who are normally responsible for authorising such matters or a sabbatical officer of the union who has competence for sports clubs or societies. The authorisation shall take the form of a signature to that effect on the official entry forms. The Council shall have the right to question or reject such authorisation as it deems fit.

(c) be an internally registered student at that institution, that is being classified as a student by the university Registrar as an internal student and be registered on a credit rated course, that is a programme of study registered under the Credit Accumulation and Transfer Scheme, undertaking a programme of study equivalent to at least sixty credits per year, or in the case of a postgraduate student be undertaking a programme of study no less than fifty percent of the full time student programme.

Also eligible are:

(a) A sabbatical officer of either a student's union or an athletic union.

(b) A student completing their course of study within the sporting year.

(c) A student embarking on a sandwich course and / or year abroad course provided the duration of the course in industry is less than one year.

8.1.2 Ineligible players

(a) No student may compete for more than one institution in any one academic year.

(b) Students at 'franchised' colleges unless recognised as fully registered internal students of the institutions.

(c) Externally registered students, as determined by the university's Registrar.

(d) Students undertaking 'foundation' courses are only eligible if their institution's Registry Office (or equivalent) deems them to fulfil the above eligibility requirements

(e) Research assistants who are not students will be deemed ineligible.

8.1.3 Proof of Eligibility

Proof of student status will be required at the registration for a competition. This will normally require a student card issued by the authorities of that institution bearing the name, student number and photograph of the student. The card must also have a date of validity or expiry date. Undergraduate students who are not full-time should also provide a letter from their head of department or the university registrar detailing the number of credits they are undertaking in the current academic year. Postgraduate students require a similar letter stating that they are undertaking a programme of study no less than fifty percent of the full-time student programme in accordance with 8.1.1(c) above. Should the card not bear a photograph of the student photographic proof of identity shall require a legal document such as a passport or photographic driving licence. Should the card not have a validity or expiry date a letter will be required from the university registrar confirming that the person is a current internally registered student.

The burden of proof shall fall on the individual to prove their eligibility to compete.

Any queries on eligibility must be made to the UPC in advance. The decision of the UPC in this case is final.

Players who have been registered at an event are normally deemed to have had their eligibility confirmed by that fact. However, the Council reserves the right to investigate any eligibility queries that are lodged after the fact and, if proof be strong, the Tournament Director shall be able to impose an interim suspension on any player whose eligibility is called into question during an event.

8.1.4 Eligibility of institutions

Eligible institutions are those in membership of the British Universities and Colleges Sport (BUCS).

8.1.5 Eligibility of players representing Ireland Students

Players representing Ireland Students must conform to eligibility criteria of HESPC and CUSAI.
