Table	W	D	L	FF	FA	Diff	Pts

Schedule 3, B7(d)

Teams will be ranked in their groups according to the number of points gained in all group matches. Should two or more teams in a group be tied on the number of points the higher placing will be given to the team with: (i) the most points in matches between the tied teams; (ii) the most wins in matches between the tied teams; (iii) the fewest frames conceded in matches between the tied teams; (iv) the highest frame difference in matches between the tied teams; (v) the most wins in all group matches; (vi) the fewest frames conceded in all group matches; (vii) the highest frame difference in all group matches. If the tie has no bearing on qualification for the playoffs or relegation, the teams shall be declared tied. Otherwise a penalty competition will be arranged. The penalty competition will consist of three players in the tied teams playing alternately placing the cueball behind the baulk line and the eight-ball on the spot and have one shot to pot the eight-ball. The winner shall be the team potting the most eight-balls. Should the teams be tied after each player has had one attempt the event will be resolved by sudden death but the cue ball must be placed midway on the baulk line.

GROUP B				
TS-016	Abertay 1st [#2]	v	UEA 3rd	
TS-017	Edge Hill 3rd	v	Birmingham 2nd
